Gary Murton

As Gary had to leave the meeting early he gave the following reports.

Website

There have been 5.5 million hits so far this year and last year's total will be passed by the end of September.

WK 17 & 18

There have been a number of queries regarding the regulations and the number of exemptions that have been allowed. Each case is looked at on its own merit and a decision made based on the guidelines that the highest team must pick their strongest players. There was general agreement that the rules concerning weeks 17 & 18 should be looked at and tidied up.

Following incidents in this game, earlier in the season, it was decided that the Management Committee needed to look at a contradiction between the Rules of The League and the Constitution of The League.

Nick Pykett will be organising the forums and will notify clubs of dates and venues. There are suggestions regarding overseas players and the wides rule which will be discussed at the forums.

Presentation Evening

Stuart Misseldine's plan for the event was agreed to.

Promotion & Relegation

There is still no positive decision that can be made as the CL is dependent on the HCPL results during the last round of matches.

It was confirmed that the AGM will be held on the 19th November and details will be sent to clubs by the 8th October.

Umpires

There have been problems with some clubs not nominating umpires. Les Addison will look at this if he is still in post next season.
