

From the Secretary's desk 23rd Feb 2022

Morning All,

Following last week's management committee meeting, a few things for you to be aware of:

Ball and subscription payments

Many thanks to the 22 clubs who have already made their payments. For those that have not yet done so, you still have plenty of time, but the invoice is sat on your club page ready for download and the payment details are on the invoice. Please remember that if your payment is not made in advance of the Captains' meeting, you will be subject to an additional fine of £50. If it is still not made by the time of the first scheduled league match, you will be looking at points deductions.

Umpire nominations

A slow trickle coming through. Please make this a priority and get as much information to Neilson as soon as you can and no later than the end of March.

Cups

We will be writing to you separately on this, but feel free to signal your intentions to this email address as soon as possible.

Annual Dinner

There is a poll on the website to gauge interest in this event. You can access it off your club page. Please indicate your interest (or lack thereof) as soon as you can.

Player registration

The registration pages on the website are now open. You can add players, or move them between tiers, free of charge until the 30th April. After that, you will incur an in-season registration charge of £2 per player. All players currently registered will be automatically carried over to the 2022 season unless you de-register them or they are subject to a transfer form. If you have a player joining from another CCL club, you will need to get the transfer form in before they can play.

Scorers

A reminder that both teams in matches in Tiers 1-3 are required to have a non-playing scorer. There is a points penalty for failing to do so.

Dates for the diary

April 21 st	Captains' meeting. Venue tbc
week of 25 th April	Umpires' meeting. Zoom
May 7 th	First League matches (just 73 days away!!)

Any questions, please come back. IM
