

## **Oxfordshire Over 40s Male and Female Representative Cricket**

Oxfordshire Seniors Cricket is keen to build on the success of the County Cricket team and Oxfordshire Senior cricket by developing an Over-40s squad to play competitive matches across the country in both the male and female games.

Over recent years, seniors' cricket has exploded in popularity with 9 teams playing weekly across the Over 50s, 60s, and 70s national competitions.

We have seen how successful the Women's County Cricket team has been, and now the Home Counties Women's League is developing, it would be fantastic to offer Oxfordshire's Women's cricket a chance to develop a Representative Women's Over 40s team.

Oxfordshire Seniors Cricket recognises there is a gap in its representative structure and would like to offer players aged 40 and above the opportunity to compete nationally.

In the first instance, Oxfordshire Seniors Cricket would like to hear from players aged 40 to 49 years of age who would be interested in discussing this opportunity.

Please contact Simon Brown using the following email address, [oxfordshireseniorscc@gmail.com](mailto:oxfordshireseniorscc@gmail.com), or Darryl Woods, [dwoods@oxoncb.com](mailto:dwoods@oxoncb.com)

This is the next exciting stage of our development of Oxfordshire Seniors cricket, and it would be difficult to do it without your help.
