Umpire Stage One Course

Tiddington Cricket Club

Saturdays 9th and 16th October 2021
1000 to 1630 each day

This one and a half to two-day course is aimed at those looking to start out on an umpiring career, those who may have to fill in as umpires for their clubs during the season and those who are established umpires but looking for a refresher and update to their knowledge.

There was a major revision of the Laws in 2017 and again in 2019 so if you have not been on a course recently this may be for you.

The course does not teach all of the Laws but also covers umpiring techniques in fieldcraft and match management to help you through those awkward situations

Registration for the course will be through the ECB ACO web site at:
<https://booking.ecb.co.uk/d/qmqfl9>

If you are interested but unsure about booking, please contact royle.ian@talk21.com to ask any questions you may have about the course.

A Stage Two course will follow on after this course to cover more Law scenarios and further match management. This will probably start on 16th October at the latter part of the day after the Stage One has completed.
More details to follow.

Course materials and refreshments (tea/coffee) will be provided but you will need to bring your own lunch.
